MED-Project LLC (“MED-Project”) operates a Product Stewardship Plan for Unwanted Medicine from Households dated August 31, 2022 (“Approved Plan”) in Alameda County (“Jurisdiction”) under the Alameda County General Ordinance Code, Chapter 6.53, the Alameda County Safe Drug Disposal Ordinance (“Ordinance”) and the Alameda Safe Drug Disposal Regulations (“Regulations”). This 2024 Alameda County Unwanted Medicine Annual Report (“Report”) describes MED-Project’s activities between January 1, 2024, and December 31, 2024 (the “Reporting Period”). All capitalized terminology not defined in this summary is derived from the Approved Plan.

B. Reporting Period Operations Overview

During the Reporting Period, priority was given to establishing Kiosk Drop-Off Sites throughout the Jurisdiction, and performing outreach to eligible pharmacies, hospitals, and clinics with on-site pharmacies, and Law Enforcement Agencies (“LEAs”). One challenge that has been in the news is the pressure on chain pharmacies and store closures. MED-Project was able to operate 90 Kiosk Drop-Off Sites, with one of those being newly installed in the Reporting Period.

MED-Project will continue to periodically perform outreach to potential Kiosk Drop-Off sites and accept additional Kiosk Drop-Off Sites that are eligible and request participation in the Program. Kiosks were installed in pharmacies that meet all local, state, and federal requirements and that executed agreements with MED-Project. In addition, outreach and educational materials, including signage and/or brochures, were distributed to new Kiosk Drop-Off Sites.

MED-Project provided disposal instructions for Kiosk Drop-Off Sites and Mail-Back Services to Residents and continues to communicate with Kiosk Drop-Off Site Hosts to distribute outreach materials upon request, review procedures as needed and improve overall Program design.

As outlined in the Approved Plan, the ultimate goal of the Program is to provide Residents with convenient, safe, and accessible methods to dispose of Unwanted Medicine.

The following Sections of the Report respond to specific reporting requirements in Ordinance Section 6.53.080 and Regulations Section 15. Each section of the Report restates the corresponding Ordinance and Regulations requirements and provides the required information. All figures are rounded to the nearest tenth place.

What should you do with your expired or unwanted medication?

Medicine helps treat disease, manage chronic conditions, and improve health and well-being for millions of Americans. Adhering to your medication routine means taking your medicine as directed by your healthcare provider or as indicated on the label or packaging—the right dose, at the right time, in the right way. Then, store it securely, and dispose of it safely, to prevent accidental ingestion or misuse by others, including children and pets.

MED-Project programs and services make it safe, free, and convenient for you to dispose of medication.

Use as Directed

Use medication as directed. If there are specific instructions on the label, package, or package insert, please follow those instructions. If you have any questions, ask your health care providers.

Store Securely

Follow storage instructions as provided on medicine labels and the information accompanying the medicine. Keep medications in a secure location, safely away from people or pets.

Dispose Safely

Check your medicine cabinet and remove all expired and unwanted medication. If you do not know if a drug is still safe, check with your pharmacist. Count medication to keep track of amounts. Drop off or mail back expired or unwanted medications for safe disposal.

¿Qué se debe hacer con un medicamento caducado o no deseado?

Los medicamentos ayudan a tratar enfermedades, controlar afecciones crónicas y mejorar la salud y el bienestar de millones de estadounidenses. Cumplir con su rutina de medicamentos significa tomar su medicamento según las indicaciones de su proveedor de atención médica o según lo indicado en la etiqueta o el envase: la dosis correcta, en el momento correcto, de la manera correcta. Luego, guárdelo protegido y elimínelo de manera segura para evitar la ingestión accidental o el mal uso por parte de otras personas, incluidos niños y mascotas.

Los programas y servicios de MED-Project hacen que la eliminación de medicamentos sea segura, gratuita y conveniente para usted.
