I. Executive Summary

MED-Project LLC ("MED-Project") operates a Product Stewardship Plan for Sharps from Households ("Plan") in the County of Alameda under the Alameda County Safe Consumer-Generated Sharps Disposal Ordinance No. 2015-53, Alameda Municipal Code Chapters 6.54.010 – 6.54.180 ("Ordinance"). This 2019 County of Alameda Annual Sharps Report ("Report") describes the activities of MED-Project between January 1, 2019, to December 31, 2019 (the "Reporting Period") in compliance with Ordinance Section 6.54.120. All capitalized terminology not defined in this annual report is derived from the approved Plan dated January 31, 2018, as amended on March 26, 2018.

MED-Project began implementing the Product Stewardship Program ("Program") and began Sharps collection in 2018 under the initial Plan dated January 31, 2018, as amended on March 26, 2018, and approved by the Alameda County, Department of Environmental Health ("Department") on March 26, 2018.

During 2019, MED-Project gave priority to establishing Sharps Kiosk Drop-Off Sites throughout Alameda County, conducting Take-Back Events in alignment with approved Plan goals, and performing outreach to eligible pharmacies, community organizations, local government agencies, health associations, and Law Enforcement Agencies ("LEAs") throughout Alameda County. As a result of these efforts, MED-Project's Program collected and disposed of "Sharps" (as defined in Plan Section V) collected from 38 Sharps Kiosk Drop-Off Sites, four Household Hazardous Waste Facilities, residential Mail-Back Services, and seven Take-Back Events in 2019.

Sharps kiosks were installed in pharmacies and LEAs that meet all local, state, and federal requirements and that executed agreements with MED-Project. In addition, outreach and educational materials were distributed upon request and to all newly activated Sharps Kiosk Drop-Off Sites, including signage and/or brochures.

MED-Project continues to communicate with Sharps Kiosk Drop-Off Site Hosts participating in the Program to coordinate and monitor implementation as well as ensure materials for Residents are available at all participating Sharps Kiosk Drop-Off Sites.

As outlined in the approved Plan, the ultimate goal of the Program is to provide Alameda County Residents with convenient, safe, and accessible methods to dispose of Sharps. MED-Project anticipates a steady increase in Sharps Kiosk Drop-Off Sites throughout 2020 as a result of outreach, educational, and promotional Program activities, especially if there is an increase in retail chain pharmacy participation.

The following sections of the Report address the specific reporting requirements in Ordinance Section 6.54.120. Each section of the Report restates the corresponding Ordinance requirement and provides the required information.

II. Participating Producers

Ordinance Sec. 6.54.120.A.1: *"A list of Producers participating in the Product Stewardship Plan."*

See Appendix A; List of Program Participants.

III. Sharps Collection Method and Weight

Ordinance Sec. 6.54.120.A.2: *"The amount, by weight, of Sharps collected, including the amount by weight from each collection method used."*

A. Kiosks

- MED-Project collected 25,256 pounds of Sharps through Kiosk Drop-Off Sites.
- MED-Project collected 15,341 pounds of Sharps through Household Hazardous Waste Locations.

See Appendix B; Sharps Kiosk Collection Data.

See Appendix C; Sharps Household Hazardous Waste Facilities.

B. Mail-Back Services

- MED-Project collected 75.15 pounds of Sharps through Mail-Back Services.

See Appendix D; Sharps Mail-Back Services.

C. Take-Back Events

- MED-Project collected 1,043 pounds directly from Residents at Take-Back Events.

See Appendix E; Sharps Take-Back Events.

D. Total Weight of Collected Sharps

- MED-Project collected a total of 41,715 pounds of Sharps through all methods.

IV. Sharps Collection Weight

Ordinance Sec. 6.54.120.A.3: *"The weight of Sharps collected and number of pickups, and the quantity of outer containers (if applicable), for each collection site."*

See Appendix B; Sharps Kiosk Collection Data.

See Appendix C; Sharps Household Hazardous Waste Facilities.

V. Sharps Kiosk Drop-Off Site Locations

Ordinance Sec. 6.54.120.A.4: *"A list of drop-off sites."*

See Appendix B; Sharps Kiosk Collection Data.

See Appendix C; Sharps Household Hazardous Waste Facilities.

VI. Mail-Back Services

Ordinance Sec. 6.54.120.A.5: *"The number of mail-back containers provided to County residents, and how many were returned during the reporting period."*

- MED-Project distributed 127 mail-back Sharps Containers directly to Residents.
- MED-Project received 23 returned mail-back Sharps Containers.

See Appendix D; Sharps Mail-Back Services.

VII. Take-Back Events

Ordinance Sec. 6.54.120.A.6: *"The dates and locations of collection events held, if applicable, and the quantities by weight returned at those events."*

See Appendix E; Sharps Take-Back Events.

VIII. Disposal and Transporter Information

Ordinance Sec. 6.54.120.A.7: *"The transporters used and the disposal facility or facilities used for all Sharps."*

A. Transporter Information

See Appendix F; Sharps Transporters.

B. Disposal Facility Information

See Appendix G; Sharps Disposal Facilities.

IX. Safety and Security Report

Ordinance Sec. 6.54.120.A.8: *"Whether any safety or security problems occurred during collection, transportation or disposal of Sharps during the reporting period and, if so, what changes have or will be made to policies, procedures or tracking mechanisms to alleviate the problem and to improve safety and security in the future, this portion of the report may be submitted under separate cover clearly marked 'Safety and Security Report'."*

See Appendix H; Safety and Security Report.

X. Educational Efforts and Public Outreach

Ordinance Sec. 6.54.120.A.9: "A description of the public education, outreach and evaluation activities implemented during the reporting period."

A. Public Education Activities

MED-Project provided a variety of public education activities during the Reporting Period, including providing disposal instructions for Sharps kiosks and Mail-Back Services, maintaining a website and toll-free number that provide information on the proper disposal of Sharps waste, collection, and disposal options available through MED-Project, and providing outreach materials. The website, toll-free number, and outreach materials, such as posters and brochures, were available in English, Spanish, Chinese, Tagalog, and Vietnamese.

MED-Project website information and statistics are provided in Appendices I and J, respectively. See Appendix K for examples of brochures and posters. See Appendix L for brochure and poster distribution information.

B. Outreach Activities

MED-Project conducted the following outreach activities during the Reporting Period: provided print and digital advertisement campaigns, distributed signage and/or brochures, posted information on social media sites, and sent email blasts.

Examples of MED-Project's brochures and posters are provided in Appendix K and brochure and poster distribution information is provided in Appendix L. A list of social media and promotion activities is provided in Appendix M. The reach percentage for each campaign is provided in the Media Outreach Summary. See Appendix N.

C. Evaluation Activities

Consistent with Ordinance Section 6.54.100.A.4, MED-Project will conduct the first biennial survey 30 or more days after the draft survey questions are submitted to the Department for review and comment. Draft survey questions were submitted to the Department for review and comment on January 26, 2020. Survey results will be posted on the MED-Project website within 90 days of the end of the survey period.

XI. Program Goals

Ordinance Sec. 6.54.120.A.10: "A summary of the Product Stewardship Plan's goals, the degree of success in meeting those goals in the past year, and, if any goals have not been met, what effort will be made to achieve the goals in the next year."

A. Collection Goals and Outreach

The collection of Sharps began at 28 Kiosk Drop-Off Sites in Q3 2018. During 2019, Sharps kiosk implementation and collection continued and resulted in 38 active Sharps Kiosk Drop-Off Sites. MED-Project's long-term goal is to have 55 Sharps Kiosk Drop-Off Sites within three years and continues to strive towards this goal. Refer to Sections III and VI of this Report for specific

collection information. Figure 1 shows a graphical representation of how MED-Project strove to meet service convenience and collection goals during the Reporting Period.

MED-Project continued collector outreach by sending letters to potential Sharps Kiosk Drop-Off Sites on September 16, 2019. MED-Project made phone calls and sent emails to eligible sites that did not respond to the letter. Eligible non-participating sites were contacted monthly until either the site began participating in the Program or the site indicated they no longer wanted to be considered for participation.

MED-Project maintained a toll-free number for a call center and the MED-Project website to provide information to Residents, as well as provided information through social media postings. MED-Project increased public awareness of the Program in 2019 through the placement of animation advertisements on digital campaigns and the addition of video and radio public service announcements in English, Spanish, Chinese, Tagalog, and Vietnamese to the MED-Project website.

As required by the Ordinance 6.54.100.A.4 and described above, MED-Project will conduct its first biennial survey of Residents and of pharmacists, veterinarians, and health professionals who interact with patients during 2020.

XII. Expenditures

Ordinance Sec. 6.54.120.A.11: "The total expenditures of the Product Stewardship Plan during the reporting period."

The total Program expenditures for the Reporting Period were \$376,423.79.¹

¹ Final total Program expenditures pending 2020 tax accrual confirmation.

Appendix H

Safety and Security Report

Event: Vendor reported a Sharps mail-back package stopped tracking in the United States Postal Service (USPS) tracking system.

Date: March, 2019

Description: Vendor reported that a 1.4 quart Sharps mail-back package, returned from a Resident, was entered into the USPS system and was scanned through two USPS shipping points. The package was subsequently identified as lost in the USPS online tracking system on October 19, 2018. The Vendor reported filing a search request on October 19, 2018, and began working with multiple USPS personnel to locate the package. The work with USPS personnel occurred from October 2018 through March 2019 in an effort to locate the package. USPS notified the Vendor in March 2019 that the search for the package was discontinued and the package was considered lost.

Corrective Action Taken: The Vendor continues to actively monitor USPS shipment tracking information. MED-Project and the Vendor also review Sharps mail-back package shipment metrics weekly to monitor for potential shipping deviations.

CONVENIENT LOCATIONS

Community kiosk drop-off sites allow residents to bring expired or Unwanted Medicines and Sharps to a convenient location for proper disposal.

UNWANTED MEDICINE:

ACCEPTED: MEDICATIONS IN ANY DOSAGE FORM, EXCEPT FOR THOSE LISTED BELOW, IN THEIR ORIGINAL CONTAINER OR SEALED BAG.*

*If transferring medications to a sealed bag, please be sure to recycle all remaining packaging.

NOT ACCEPTED: HERBAL REMEDIES, VITAMINS, SUPPLEMENTS, COSMETICS, OTHER PERSONAL CARE PRODUCTS, MEDICAL DEVICES, BATTERIES, MERCURY-CONTAINING THERMOMETERS, SHARPS, AND ILLICIT DRUGS.**

**Please dispose of any items on the NOT ACCEPTED list at your local Hazardous Waste Facility. Call 1 (800) 606-6606 or visit Household-HazWaste.org for details.

SHARPS:

ACCEPTED: SHARPS (SUCH AS HYPODERMIC NEEDLES, PEN NEEDLES, PRE-LOADED SHARPS, AUTO-INJECTORS, INTRAVENOUS NEEDLES, LANCETS AND OTHER DEVICES USED TO PENETRATE THE SKIN FOR DRAWING BLOOD, OR FOR THE DELIVERY OF MEDICATIONS) CONTAINED IN U.S. FOOD AND DRUG ADMINISTRATION-CLEARED SHARPS CONTAINERS. ***

NOT ACCEPTED: CONTROLLED SUBSTANCES, UNWANTED MEDICINE NOT CONTAINED IN SHARPS, AND LOOSE SHARPS THAT ARE NOT CONTAINED IN U.S. FOOD AND DRUG ADMINISTRATION-CLEARED SHARPS CONTAINERS.

***Approved sharps containers should be made of heavy-duty plastic; able to close with a tight-fitting, puncture resistant lid, without sharps being able to come out; upright and stable during use; leak-resistant; and properly labeled as "sharps waste" or with the biohazard symbol and the word "BIOHAZARD" to warn of hazardous materials inside the container.

To find the nearest disposal locations for Unwanted Medicines and Sharps, enter your zip code below.

MAIL BACK

UNWANTED MEDICINES MAIL-BACK SERVICES:

Mail-Back Services for Unwanted Medicines are available to home bound and under-served Residents upon request. Medications in any dosage form, in their original container or a sealed bag are accepted. Each Unwanted Medicine Mail-back Envelope is 8 x 11 inches in size and will hold up to 8 ounces of Unwanted Medicine. *

*If transferring medications to a sealed bag, please be sure to recycle all remaining packaging.

NOTE: The following items are not accepted in Unwanted Medicine Mail-Back Envelopes: Herbal remedies, vitamins, supplements, cosmetics, other personal care products, medical devices, batteries, mercury-containing thermometers, inhalers, sharps, and illicit drugs. **

**Please dispose of any items on the NOT ACCEPTED list at your local Hazardous Waste Facility. Call 1 (800) 606-6606 or visit Household-HazWaste.org for details.

INHALER MAIL-BACK SERVICES:

Mail-Back Services for Inhalers are available to home-bound and under-served Residents upon request. Each inhaler Mail-Back Package size is 8 ounces.

NOTE: Only place undamaged inhalers in their original containers in the Inhaler Mail-Back Package. Inhaler Mail-Back Packages can only be used for inhalers and cannot be used for injectors or other types of items.

SHARPS MAIL-BACK SERVICES:

Sharps Mail-Back Services are available for differentially-abled or home-bound residents and persons providing services to such Residents upon request. Sharps (such as hypodermic needles, pen needles, pre-loaded sharps, auto-injectors, intravenous needles, lancets and other devices used to penetrate the skin for drawing blood, or for the delivery of medications) contained in U.S. Food and Drug Administration-cleared sharps containers. ***

NOTE: The following are not accepted in Sharps Mail-Back Packages: Controlled substances, unwanted medicine not contained in sharps, and loose sharps that are not contained in U.S. Food and Drug Administration-cleared sharps containers.

*** All sharps disposal containers should be made of heavy-duty plastic; able to close with a tight-fitting, puncture resistant lid without sharps being able to come out; upright and stable during use; leak-resistant; and properly labeled as "sharps waste" or with the biohazard symbol and the word "BIOHAZARD" to warn of hazardous materials inside the container.

Please complete the below form to request a pre-paid, pre-addressed mail-back package. Instructions for disposal will be provided with all mail-back services. This form may be submitted more than once if multiple package types are needed.

<h1>WHAT SHOULD YOU DO WITH YOUR SHARPS?</h1>	<h1>SAFELY DISPOSE OF SHARPS</h1>
<p>For more information about the MED-Project Program, go to www.med-project.org or call 1-844-MED-PROJECT</p> 	
<h3>ACCEPTED FOR SHARPS DISPOSAL</h3>  <p>ACCEPTED: SHARPS (SUCH AS HYPODERMIC NEEDLES, PEN NEEDLES, PRE-LOADED SHARPS, AUTO INJECTORS, INTRAVENOUS NEEDLES, LANCETS AND OTHER DEVICES USED TO PENETRATE THE SKIN FOR DRAWING BLOOD, OR FOR THE DELIVERY OF MEDICATIONS) CONTAINED IN SHARPS CONTAINERS APPROVED BY THE U.S. FOOD AND DRUG ADMINISTRATION.</p> <p>NOT ACCEPTED: UNWANTED MEDICINE, CONTROLLED SUBSTANCES, AND SHAVING RAZORS.</p>	<p>Medicines help treat diseases, manage chronic conditions, and improve health and well-being for millions of Americans. It's vitally important that patients take their medicine as prescribed by their health care provider and as indicated on the label or packaging. Storing used sharps securely to prevent accidental ingestion, sticks, or misuse (especially by children) is also very important.</p> <p>(Source: U.S. Food and Drug Administration)</p> <p>MED-Project Medication Education & Disposal</p>

Figure 11: MED-Project Brochure Front (English)

HOUSEHOLD SHARPS DISPOSAL

1 CHECK THE PACKAGE

If there are specific instructions for disposal on the label, package or package insert, please follow those instructions.

Never place sharps in the trash or recycling, and never flush them down the toilet. Disposing of sharps in the trash or recycling may put trash and sewage workers, janitors, housekeepers, household members, and children at risk of being harmed.¹

2 CONVENIENT KIOSKS

Dispose of sharps containers in convenient kiosks located in pharmacies or law enforcement agencies. Other collection locations may be available throughout the unincorporated and incorporated areas of the county. Visit www.med-project.org to find collection sites near you.¹

3 MAIL-BACK

Differentially-abled and home-bound residents may request Mail-Back packages by contacting the MED-Project call center or by ordering online. Home healthcare professionals providing services to differentially-abled or home-bound residents may also request mail-back packages on their behalf. To order a mail-back package, visit www.med-project.org.

4 TAKE-BACK EVENTS

Take-Back Events also may be scheduled in your area. Visit www.med-project.org to find events near you.

HOUSEHOLD SHARPS DISPOSAL

Sharps can be dangerous to people and pets if not disposed of safely. Sharps can cause injuries and/or spread infections that cause serious health conditions. These infections may include: Hepatitis B (HBV), Hepatitis C (HCV), and Human Immunodeficiency Virus (HIV).

Safe sharps disposal is important whether you are at home, at work, at school, traveling, or in other public places such as hotels, parks, and restaurants. Pet owners who use needles to give medicine to their pets should follow the same sharps disposal guidelines used for humans.¹

SHARPS DISPOSAL CONTAINERS

Sharps containers must be: made of a heavy-duty plastic; able to close with a tight-fitting, puncture-resistant lid, without sharps being able to come out; upright and stable during use; leak-resistant; and properly labeled as "sharps waste" or with the biohazard symbol and the word "BIOHAZARD" to warn of hazardous materials inside the container.

Place all sharps in a sharps disposal container immediately after they have been used. This will reduce the risk of needle sticks, cuts, and punctures from sharps. Sharps disposal containers should be kept out of reach of children and pets.¹

DO NOT REUSE SHARPS DISPOSAL CONTAINERS.

¹ U.S. Food and Drug Administration

This material has been provided for the purpose of compliance with legislation and does not necessarily reflect the views of MED-Project or the Producers participating in the MED-Project Product Stewardship Plan.

Figure 12: MED-Project Brochure Back (English)

¿QUÉ SE DEBE HACER CON LOS OBJETOS CORTOPUNZANTES?

ELIMINE DE FORMA SEGURA LOS OBJETOS CORTOPUNZANTES

Para obtener información adicional sobre el programa MED-Project, visite www.med-project.org o llame a 1-844-MED-PROJECT

PRODUCTOS ACEPTADOS PARA LA ELIMINACIÓN DE OBJETOS CORTOPUNZANTES

SE ACEPTAN: LOS OBJETOS CORTOPUNZANTES (COMO AGUJAS HIPODÉRMICAS, AGUJAS PARA PLUMA, OBJETOS CORTOPUNZANTES PRECARGADOS, AUTOINYECTORES, AGUJAS INTRAVENOSAS, LANCETAS Y OTROS DISPOSITIVOS QUE SE UTILIZAN PARA PENETRAR LA PIEL Y EXTRAER SANGRE O PARA ADMINISTRAR MEDICAMENTOS) QUE SE ENCUENTREN EN ENVASES DE OBJETOS CORTOPUNZANTES APROBADOS POR LA ADMINISTRACIÓN DE ALIMENTOS Y MEDICAMENTOS DE EE .UU.

NO SE ACEPTAN: MEDICAMENTOS NO DESEADOS, SUSTANCIAS PROHIBIDAS Y CUCHILLAS DE AFEITAR.

Los medicamentos ayudan a tratar enfermedades, manejar enfermedades crónicas y mejorar la salud y el bienestar de millones de estadounidenses. Es de vital importancia que los pacientes tomen los medicamentos como lo indicó el profesional de la salud y como se indica en la etiqueta o el envase. Asimismo, para evitar la ingesta, los pinchazos o el uso inadecuado (especialmente por parte de niños) de forma accidental es muy importante almacenar de manera segura los objetos cortopunzantes usados.

(Fuente: Administración de Alimentos y Medicamentos de EE. UU.)

MED-Project

Medication Education & Disposal

Educación y eliminación de medicamentos

Figure 13: MED-Project Brochure Front (Spanish)

REVISE EL ENVASE

1 REVISE EL ENVASE

Si hay instrucciones específicas para la eliminación, ya sea en la etiqueta, en el envase o en el prospecto, siga esas instrucciones.

Nunca coloque objetos punzocortantes en la basura o el depósito de reciclaje ni los tire al excusado. Dejar los objetos punzocortantes en la basura o el depósito de reciclaje puede poner en peligro a trabajadores de aguas residuales y basura, conserjes, personal de limpieza, miembros del hogar y niños.¹

2 QUIOSCOS CONVENIENTES

Deseche los envases de objetos cortopunzantes en quioscos convenientes ubicados en farmacias o en organismos de orden público. Puede que existan otros sitios de recolección en todas las áreas incorporadas y no incorporadas del condado.

Visite www.med-project.org para encontrar sitios de recolección cerca de usted.¹

3 DEVOLUCIÓN POR CORREO

Las personas con capacidades diferentes o las que se encuentren obligadas a permanecer en su hogar pueden solicitar paquetes de devolución por correo comunicándose con el centro de llamados de MED-Project, o bien, solicitándolo en línea. Los profesionales de salud domiciliaria que proporcionan atención a personas con capacidades diferentes o a personas obligadas a permanecer en su hogar también pueden solicitar paquetes de devolución por correo en su nombre. Para solicitar un paquete de devolución por correo, visite www.red-project.org.

4 EVENTOS DE RECICLAJE

Puede que también se organicen eventos de reciclaje en su área. Visite www.red-project.org para encontrar eventos cerca de usted.

ELIMINACIÓN DE OBJETOS CORTOPUNZANTES DEL HOGAR

Si no se eliminan correctamente, los objetos cortopunzantes pueden ser peligrosos para las personas y las mascotas. Los objetos cortopunzantes pueden provocar lesiones o transmitir infecciones que causan afecciones graves a la salud. Estas infecciones incluyen las siguientes:

Hepatitis B (HBV), Hepatitis C (HCV), y virus de inmunodeficiencia adquirida (VIH).

La eliminación segura de objetos cortopunzantes es importante en el hogar, en el trabajo, en el colegio, de viaje o en otros lugares públicos, como hoteles, parques y restaurantes. Los propietarios de mascotas que utilizan agujas para administrarles medicamentos a sus mascotas deben seguir las mismas pautas de eliminación de objetos cortopunzantes que se aplican en humanos.¹

ENVASES DE ELIMINACIÓN DE OBJETOS CORTOPUNZANTES

Los envases de objetos cortopunzantes deben estar hechos de plástico de alta resistencia, poder cerrarse de forma hermética con una cubierta resistente a las perforaciones sin que se salgan los objetos cortopunzantes, estar en posición vertical y estable durante su uso, ser resistentes a las fugas y estar debidamente etiquetados como "desechos afilados" o con un símbolo de peligro biológico y las palabras "PELIGRO BIOLÓGICO" para advertir sobre los materiales peligrosos que se encuentran en el envase.

Coloque todos los objetos cortopunzantes en un envase de eliminación de objetos cortopunzantes inmediatamente después de haberlos utilizado. Esto reduce el riesgo de pinchazos de agujas, cortes y perforación por objetos cortopunzantes. Los envases de eliminación de objetos cortopunzantes se deben mantener fuera del alcance de los niños y las mascotas.¹

NO REUTILICE ENVASES DE ELIMINACIÓN DE OBJETOS CORTOPUNZANTES.

¹ U.S. Food and Drug Administration

Este material se proporciona con la finalidad de cumplir con la legislación y no refleja necesariamente el pensamiento de MED-Project ni de los productores participantes en el plan de administración de productos de MED-Project.

Figure 14: MED-Project Brochure Back (Spanish)

您應該如何處理您的
尖銳物品?

安全 棄置 尖銳物品

更多有關 MED-Project
計畫的資訊, 請至網站:
www.med-project.org
或撥打電話號碼:
1-844-MED-PROJECT

可接受棄置的尖銳物品

可接受: 裝在經美國食品藥物管理局
(U.S. FOOD AND DRUG ADMINISTRATION)
核准之尖銳物品收集容器中的尖銳物品
(例如皮下注射針頭、注射筆專用針、預裝填尖銳物品、
自動注射器、靜脈內注射針、
刺血針以及其他用於穿刺皮膚以進行抽血或給藥的裝置)。

不可接受: 不要的藥品、管制物質和刮鬍刀。

藥品能協助治療疾病、管理慢性病況,
並改善數百萬美國人的健康與福祉。
病患按照其健康照護提供者所開立的處方,
以及標籤或包裝上的指示服用藥品是至關重要的。
安全地保存使用過的尖銳物品以防止 (特別是兒童)
意外攝入、針扎或誤用也是非常重要的。

(來源: 美國食品藥物管理局
(U.S. Food and Drug Administration))

MED-Project
Medication Education & Disposal
藥品教育和棄置

Figure 15: MED-Project Brochure Front (Chinese)

居家尖銳物 品的棄置

1 查看包裝

標籤、包裝或藥品仿單
上如有棄置的特殊說明，
請遵循那些說明。

切勿將尖銳物品置於垃圾或回收中，也切勿將它們沖入馬桶
將尖銳物品棄置於垃圾或回收中，
可能會讓垃圾或汙水處理工人、工友、
管家、家庭成員與兒童面臨受傷的風險。¹

2 便利服務站

將尖銳物品收集容器丟棄至藥局
或執法機關的便利服務站。
其他收集地點可能分佈於該郡的
郡直轄區 (unincorporated)
與市鎮轄區 (incorporated)。
請造訪網站：www.med-project.org
尋找您附近的收集地點。¹

3 寄回服務

殘疾人士或無法離家之
居民可以透過聯絡 MED-Project
客服中心或線上訂購申請寄回
服務包裹。居家醫療保健專業人
員正在提供一種服務，可代表身心障礙或無法離家之
居民申請寄回服務包裹。若要訂購寄回服務包裹，
請造訪網站：www.red-project.org

4 取回活動

也可在您的區域安排取回活動。
請造訪網站：
www.red-project.org
以找到您附近的取回活動。

居家尖銳物 品的棄置

若未安全地棄置，尖銳物品對人們和寵物可能是危險的。
尖銳物品會引起受傷及 / 或傳播感染，造成嚴重的衛生問題。
這些感染可能包括：

B 型肝炎 (HBV)、C 型肝炎 (HCV) 和人類免疫不全病毒 (HIV)。

無論您是在家、工作、學校、旅遊還是其他公共場所 (如旅館、
公園和餐廳)，安全棄置尖銳物品是很重要的。
使用針頭為寵物給藥的寵物主人應遵守與人
類相同的尖銳物品棄置指南。¹

尖銳物品棄置收集容器

尖銳物品收集容器必須：
以耐用塑膠製成；能以緊密貼合並防穿刺
的蓋子關閉而不露出尖銳物品；
使用時穩定直立；防漏；並且適當標示為
「尖銳物品廢棄物」或帶有生物危害標誌以及
「生物危害」字詞以警告此容器內含
危害性物質。

使用完尖銳物品後，請立即將它們放入尖銳物品
棄置收集容器。這能減少遭到尖銳物品針扎、
割傷和穿刺傷的風險。尖銳物品棄置收集容器
應放在遠離兒童和寵物的地方。¹

請勿重複使用尖銳物品棄置收集容器。

ANO ANG DAPAT MONG GAWIN SA IYONG MATUTULIS NA BAGAY?

LIGTAS NA ITAPON ANG MATUTULIS NA BAGAY

Para sa higit pang impormasyon tungkol sa, pumunta sa:

www.med-project.org

o tumawag sa 1-844-MED-PROJECT

MGA TINATANGGAP PARA SA PAGTATAPON NG MATUTULIS NA BAGAY

MGA TINATANGGAP: MATUTULIS NA BAGAY (TULAD NG MGA HYPODERMIC NEEDLE, PEN NEEDLE, PRE-LOADED SHARP, AUTO INJECTOR, INTRAVENOUS NEEDLE, LANCET AT IBA PANG DEVICE NA GINAGAMIT BILANG PANTUSOK SA BALAT PARA MAKAKUHA NG DUGO O MAGBIGAY NG MGA GAMOT) NA NASA LALAGYAN NG MATUTULIS NA BAGAY NA INAPRUBAHAN NG U.S. FOOD AND DRUG ADMINISTRATION.

HINDI TINATANGGAP: HINDI GUSTONG GAMOT, MGA KONTROLADONG GAMOT, AT MGA PANG-AHIT NA RAZOR.

Nakakatulong ang mga gamot na pagalingin ang mga sakit, pamahalaan ang mga pabalik-balik na kundisyon, at palakasin ang kalusugan at kapakanan para sa milyun-milyong nakatira sa Amerika. Napakahalagang inumin ng mga pasyente ang kanilang mga gamot alinsunod sa bilin ng provider ng kanilang pangangalagang pangkalusugan. Napakahalaga rin ng ligtas na pagtatago ng matutulis na bagay para maiwasan ang aksidenteng pagkalunok, pagkatusok, o maling paggamit (lalo na ng mga bata).

(Pinagmulan: U.S. Food and Drug Administration)

MED-Project

Medication Education & Disposal

Edukasyon at Pagtatapon ng Gamot

Figure 17: MED-Project Brochure Front (Tagalog)

PAGTATAPON NG MATUTULIS NA BAGAY SA BAHAY

1 TINGNAN ANG PAKETE

Kung may mga partikular na tagubilin para sa pagtatapon na nasa label, pakete o papel sa loob ng pakete, mangyaring sundin ang mga naturang tagubilin.

Huwag na huwag ilagay ang matutulis na bagay sa basurahan o para sa recycle, at huwag na huwag i-flush ang mga ito sa bowl. Ang pagtatapon ng mga scrap sa basurahan o para sa recycle ay maaaring maglagay sa mga tubero, janitor, kasambahay, kapamilya, at bata sa panganib.

2 MGA CONVENIENT KIOSK

Itapon ang mga lalagyan ng matutulis na bagay sa mga convenient kiosk na nasa mga parmasya o ahensyang nagpapatupad ng batas. Maaaring mayroong iba pang lokasyon ng koleksyon sa mga hindi korporasyon at korporasyong lugar ng county. Bisitahin ang www.med-project.org para maghanap ng mga lugar ng koleksyong malapit sa iyo.

3 MAIL-BACK

Ang mga residenteng may kapansanan at hindi makaalis ng bahay ay maaaring humiling ng mga pakete ng Mail-Back sa pamamagitan ng pakikipag-ugnayan sa call center ng MED-Project o pag-order online. Ang mga propesyonal sa pangangalagang pangkulusagn sa bahay na nagbibigay ng mga serbisyo sa mga residenteng may kapansanan o hindi makaalis ng bahay ay maaari ding humiling ng mga pakete ng mail-back sa kanilang ngalan. Para mag-order ng mga pakete ng mail-back, bisitahin ang www.red-project.org.

4 MGA TAKE-BACK EVENTS

Maaari ding mag-iskedyul ng mga Take-Back Event sa iyong lugar. Bisitahin ang www.red-project.org para makakita ng mga event na malapit sa iyo.

PAGTATAPON NG MATUTULIS NA BAGAY SA BAHAY

Maaaring mapanganib ang matutulis na bagay sa mga tao at alagang hayop kapag hindi naitapon nang ligtas. Ang matutulis na bagay ay maaaring magdulot ng mga pinsala at/o magkalat ng impeksyon na nagdudulot ng malalalang sakit. Maaaring kabilang sa mga impeksyong ito ang:

Hepatitis B (HBV), Hepatitis C (HCV), and Human Immunodeficiency Virus (HIV).

Mahalaga ang ligtas na pagtatapon ng matutulis na bagay ikaw man ay nasa bahay, nasa trabaho, nasa paaralan, nagbibiyaha, o nasa iba pang pampublikong lugar tulad ng mga hotel, parke, at restaurant. Ang mga may-ari ng alagang hayop na gumagamit ng mga karayom para magbigay ng gamot sa kanilang mga alagang hayop ay dapat sumunod sa parehong mga alituntunin sa pagtatapon ng matutulis na bagay na ginamit para sa mga tao.

MGA LALAGYAN SA PAGTATAPON NG MATUTULIS NA BAGAY

Ang mga lalagyan ng matutulis na bagay ay dapat: gawa sa matibay na plastic; may takip na naisasara nang mahigpit at hindi nabubutas nang hindi umuusli ang matutulis na bagay; nakatuwid at stable habang ginagamit; hindi nagkakaroon ng tulo; at may angkop na label na "sharps waste" o may simbolo ng biohazard at ng salitang "BIOHAZARD" bilang babala tungkol sa mapanganib na materyal na nasa loob ng lalagyan.

Ilagay kaagad lahat ng matutulis na bagay sa isang lalagyan sa pagtatapon ng matutulis na bagay pagkatapos gamitin ang mga ito. Makakabawas ito sa panganib na magkaroon ng mga pagkatusok, pagkahiwa, at pagkasugat dahil sa matutulis na bagay. Dapat ay ilayo ang mga lalagyan sa pagtatapon ng matutulis na bagay sa mga bata at alagang hayop.

HUWAG MULING GAMITIN ANG MGA LALAGYAN SA PAGTATAPON NG MATUTULIS NA BAGAY.S.

1.U.S. Food and Drug Administration

Ibinigay ang materyal na ito bilang pagsunod sa batas at hindi ibig sabihin na sinasalamain nito ang mga pananaw ng MED-Project o ng Mga Producer na kasali sa MED-Project Product Stewardship Plan.

BẠN NÊN LÀM GÌ VỚI VẬT NHỌN?

THẢI BỎ VẬT NHỌN AN TOÀN

Để biết thêm thông tin về Chương trình MED-Project, hãy truy cập: www.med-project.org hoặc gọi số 1-844-MED-PROJECT

NHỮNG VẬT NHỌN CÓ THỂ THẢI BỎ

CHẤP NHẬN ĐƯỢC: VẬT NHỌN (CHẴNG HẠN NHƯ KIM TIÊM DƯỚI DA, KIM TIÊM DẠNG BÚT, VẬT NHỌN ĐƯỢC NẠP SẴN, DỤNG CỤ TIÊM NẠP TỰ ĐỘNG, KIM TIÊM TÍNH MẠCH, ĐAO CHỈCH VÀ CÁC THIẾT BỊ KHÁC ĐƯỢC DÙNG ĐỂ XUYÊN VÀO DA ĐỂ LẤY MÁU HOẶC ĐỂ TRUYỀN THUỐC) CHỨA TRONG VẬT CHỨA ĐÓ NHỌN ĐƯỢC CỤC QUẢN LÝ THỰC PHẨM VÀ DƯỢC PHẨM HOA KỲ PHÊ DUYỆT.

KHÔNG CHẤP NHẬN: THUỐC KHÔNG DÙNG NỬA, CHẤT ĐƯỢC KIỂM SOÁT VÀ ĐẠO CẠO

Thuốc giúp điều trị bệnh, quản lý các bệnh mạn tính cũng như cải thiện sức khỏe và tình trạng khỏe mạnh về tinh thần và thể chất cho hàng triệu người Mỹ. Điều cực kỳ quan trọng là bệnh nhân nên uống thuốc theo đơn thuốc của nhà cung cấp dịch vụ y tế và theo chỉ định trên nhãn hoặc bao bì. Bảo quản an toàn vật nhọn đã qua sử dụng để tránh ai đó vô tình nuốt, bị kim đâm hoặc sử dụng sai vật nhọn (đặc biệt là trẻ em) cũng là điều rất quan trọng.

MED-Project

Medication Education & Disposal
Giáo dục & thải bỏ dược phẩm

Figure 19: MED-Project Brochure Front (Vietnamese)

THẢI BỎ VẬT NHỌN TẠI NHÀ

1 KIỂM TRA BAO BÌ

Nếu có hướng dẫn cụ thể về thải bỏ trên nhãn, bao bì hoặc tờ thông tin đi kèm trong bao bì, vui lòng làm theo những hướng dẫn này.

Không bao giờ được cho vật nhọn vào thùng rác hoặc thùng tái chế và không bao giờ được xả vật nhọn xuống bồn cầu.

Việc thải bỏ vật nhọn vào thùng rác hoặc thùng tái chế có thể khiến công nhân đổ rác, công nhân dọn dẹp công, người giúp việc, quần gia, các thành viên trong nhà và trẻ em gặp rủi ro bị tổn hại.¹

2 QUẦY TIỆN LỢI

Thải bỏ vật chứa đồ nhọn tại quầy tiện lợi nằm ở các nhà thuốc hoặc cơ quan thực thi pháp luật. Có thể có các địa điểm thu gom khác ở những khu vực hợp nhất và không hợp nhất của quận. Truy cập www.med-project.org để tìm các điểm thu gom gần bạn.¹

3 GỬI TRẢ HÀNG

Người đi lại khó khăn hoặc không thể ra ngoài có thể yêu cầu gói Hàng trả lại bằng cách liên hệ với tổng đài của MED-Project hoặc đặt hàng trực tuyến. Các chuyên gia chăm sóc sức khỏe tại nhà cung cấp các dịch vụ cho những người đi lại khó khăn hoặc không thể ra ngoài cũng có thể yêu cầu phong thư thay mặt cho họ. Để đặt hàng gói hàng trả lại, hãy truy cập www.red-project.org.

4 SỰ KIỆN THU HỒI

Sự kiện thu hồi cũng được lên lịch trong khu vực của bạn. Truy cập www.red-project.org để tìm sự kiện gần bạn.

THẢI BỎ VẬT NHỌN TẠI NHÀ

Vật nhọn có thể nguy hiểm đối với người và vật nuôi nếu không được thải bỏ an toàn. Vật nhọn có thể gây thương tích và/hoặc lan truyền các bệnh lây nhiễm dẫn đến tình trạng sức khỏe nghiêm trọng. Những bệnh lây nhiễm đó có thể bao gồm:

Viêm gan B (HBV), Viêm gan C (HCV), và Virus suy giảm miễn dịch ở người (HIV).

Thải bỏ vật nhọn quan trọng dù bạn ở nhà, tại cơ quan, trường học, đi du lịch hoặc ở những địa điểm cộng đồng khác chẳng hạn như khách sạn, công viên và nhà hàng. Chủ vật nuôi sử dụng kim tiêm để tiêm thuốc cho vật nuôi của họ nên làm theo hướng dẫn thải bỏ vật nhọn tương tự như với người.¹

VẬT CHỨA ĐỒ NHỌN ĐƯỢC THẢI BỎ

Các vật chứa vật nhọn phải: làm từ nhựa độ bền cao; có khả năng khép kín bằng cách nắm chặt lại, nắp chống đâm thủng mà vật nhọn không thể lộ ra; thẳng đứng và ổn định trong lúc sử dụng; chống rò rỉ; và được dán nhãn đúng cách "vật thải nhọn" hoặc biểu tượng mối nguy sinh học và chữ "BIOHAZARD" (Mối nguy sinh học) để cảnh báo có các vật liệu nguy hiểm bên trong vật chứa.

Cho tất cả vật nhọn vào vật chứa đồ nhọn được thải bỏ ngay lập tức sau khi sử dụng. Điều này sẽ giảm rủi ro bị kim đâm, vật nhọn cắt và đâm phải. Nên để vật chứa đồ nhọn được thải bỏ tránh xa trẻ em và vật nuôi.¹

KHÔNG SỬ DỤNG LẠI VẬT CHỨA ĐỒ NHỌN ĐƯỢC THẢI BỎ.
