1. EXECUTIVE SUMMARY

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A. and B.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports C.i.

Alameda County Safe Drug Disposal Ordinance (“Ordinance”) Section 6.53.080 and Alameda County Safe Drug Disposal Regulations (“Regulations”) Section 15 require MED-Project LLC (“MED-Project”) to prepare and submit an annual written report describing activities between January 1, 2017 and December 31, 2017. MED-Project submits this 2017 Alameda County, California MED-Project Annual Report (“Report”) on behalf of its participating producers and in compliance with the Ordinance and Regulations.

The Alameda MED-Project Product Stewardship Plan (“Plan”) was approved by the Alameda County, Department of Environmental Health (“Alameda County DEH”) on February 25, 2015. In keeping with the Plan, MED-Project is implementing the Product Stewardship Program (“Program”) in phases. During 2017, priority was given to establishing additional kiosk drop-off sites throughout Alameda County (“County”), conducting take-back events in alignment with approved Plan goals, and performing outreach to eligible pharmacies and Law Enforcement Agencies (“LEAs”) throughout the County. As a result of these efforts, MED-Project’s Program collected and disposed of Unwanted Medicine from 32 kiosk drop-off sites and 12 take-back events in 2017.

Kiosks were activated in pharmacies and LEAs that meet all local, state, and federal requirements and that executed agreements with MED-Project prior to kiosk installation and activation. In addition, outreach and educational materials were distributed to all interested and participating sites, including signage and/or brochures.

As outlined in the approved Plan, the ultimate goal of the Program is to provide County residents with convenient, safe, and accessible methods to dispose of Unwanted Medicine. MED-Project anticipates a steady increase in kiosk drop-off sites throughout 2018 as a result of Program activities in 2017.

MED-Project continues to communicate with kiosk drop-off site hosts to distribute outreach materials, review procedures as needed, and improve overall Program design.

MED-Project will submit revision requests and a revised plan in 2018 to address both improvement in collection efforts to reflect the data in this and previous annual reports, and also address challenges in program implementation, such as implementing changes to address the California Board of Pharmacy Prescription Drug Take-Back Services Regulations, Cal. Code Regs. tit. 16, §§ 1776 et seq. (2017) (the “Board of Pharmacy Regulations”).

2. REPORTING ON 2017 GOALS

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.8. and A.9.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports C.ii.

2.1. Collection Goals

Long-term collection goals, as outlined in the approved Plan, include the expansion of kiosk placement to additional eligible LEAs and pharmacies during the third year of Program operations, with a goal of establishing up to 100 kiosk drop-off sites, assuming viable locations are available. Program goals set an ongoing target of 12 take-back events per year. MED-Project held 12 take-back events in 2017.

In 2017, law enforcement oversight of events was performed by ACSO for all 12 of the events. See Table 1 for more details.

#	TYPE	DATE	EVENT NAME	CITY	LEA
1	HHW	04/30/2017	Pleasanton Fair Grounds	Pleasanton	ACSO

Table 1: Take-Back Day Events in 2017

MED-Project plans to conduct up to 12 take-back events in 2018 by collaborating with Alameda County Household Hazardous Waste (“HHW”) drive-through events and LEAs. For more information about this effort, please see Section 3.

Agreements to host kiosk collection services in 2017 were executed with four (4) LEAs and ten (10) pharmacies and healthcare organizations, consisting of a total of 22 kiosk drop-off sites. Kiosks were subsequently installed in 22 sites and became available to the public, providing a total of 32 active kiosk-drop off sites in 2017. See Table 2 for more details.

Table 2: Active Kiosk Drop-Off Sites in 2017

MED-Project intends to increase the number of active kiosk drop-off sites in 2018 by continuing to work with all eligible LEAs and pharmacies that express interest in participating in the Program. Although MED-Project has not established up to 100 kiosk drop-off sites, it anticipates adding new kiosk drop-off sites in 2018 as potential kiosk drop-site hosts become more familiar with the Program. For more information about this effort, please see Sections 3 and 5 and Appendix A.

2.2. Education and Public Outreach Goals

MED-Project conducted 12 take-back events, performed installations at 22 kiosk drop-off sites, performed print ads, and distributed materials, including brochures and posters, to all 32 active kiosk drop-off sites in 2017. The toll-free number for the call center continues to be available in both English and Spanish. The MED-Project call center returns voicemails within one business day as provided in the approved Plan.

In an effort to increase website visits, MED-Project continued outreach in 2017 through social media websites such as Twitter and Facebook. Brochures and materials were distributed to nearby pharmacies, LEAs, clinics, veterinary facilities, hospitals, and community groups, and other media outlets were contacted to increase outreach prior to events. Website statistics for 2017 can be viewed in Table 3.

Table 3: Number of Unique Web Page Visits During 2017

The MED-Project website (<http://www.med-project.org/locations/alameda>) has been live for three years, and is regularly updated to ensure alignment with Program activities. The website provides contact information County residents, kiosk drop-off site hosts, and producers can use to obtain Program information.

Information regarding kiosk drop-off sites is available in both map and list format at <http://www.med-project.org/locations/alameda/kiosks>. Take-back events are listed at the following site: <http://www.med-project.org/locations/alameda/events>.

The Plan's long-term education and public outreach goals provide that MED-Project may revise and/or add communication materials based on changes to the Plan, and that MED-Project will review media and public outreach and collect feedback to improve operations. The methodology employed by MED-Project utilizes qualitative and quantitative techniques to evaluate outreach and promotional activities, including unstructured interviews, data collection at take-back events, and website statistics. MED-Project is also incorporating information collected, best practices, and lessons learned from other jurisdictions to improve its Program.

MED-Project performed unstructured interviews of residents, potential and existing kiosk drop-off site hosts, stakeholders, health systems, and local agencies in various settings. The purpose of these interviews was to elicit feedback regarding program awareness and activities. Information was gathered during take-back events, site visits, and regularly scheduled meetings.

Data collection was performed during and after take-back events to capture attendance, collection, transport, and Unwanted Medicine disposal statistics. Website statistics were compared to the previous calendar year.

Through its data collection, MED-Project learned that events held in combination with the County's HHW events showed increased consumer participation as compared to events hosted at fairs or festivals. While MED-Project advertised its events extensively on social media and the MED-Project website, consumer participation at events was highest when held in combination with HHW events. Events at fairs and festivals collected fewer than 69 pounds of Unwanted Medicine per event on average, while events that were promoted jointly with HHW collected more than 360 pounds of Unwanted Medicine per event on average.

As a result of these lessons learned, MED-Project may be able to improve collections at 2018 events by focusing mainly on conducting events in conjunction with planned HHW events. MED-Project is working in collaboration with Alameda County DEH to explore conducting Unwanted Medicine take-back events at all Alameda County HHW events in 2018. MED-Project provides media release templates to host sites, which enable sites to promote events in combination with MED-Project's efforts.

Regarding kiosk drop-off sites, MED-Project will continue to publicize these locations in 2018, and will provide each site with posters, brochures, and media release templates. Upon activation, all existing and new kiosk drop-off sites are promoted on social media and the MED-Project website. Fliers for residents are also produced to increase public awareness.

Efforts to recruit additional health systems and chain pharmacy kiosk drop-off sites in 2018 may also increase awareness and allow MED-Project to implement numerous additional kiosk drop-off sites throughout Alameda County.

MED-Project continues to increase awareness of its Program in Alameda County and to recruit additional kiosk drop-off sites by performing site visits and distributing outreach materials to potential kiosk drop-off sites. MED-Project is also distributing materials to health associations, systems, and organizations, as described in Appendix E of the approved Plan.

For more information regarding outreach activities in 2017, and planned outreach activities for 2018, please see Appendix C.

2.3. Take-Back Events

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.2.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports D.ii.

Over 3,150 pounds of Unwanted Medicine were collected at the 2017 events and subsequently incinerated. MED-Project collaborated with ACSO and held events at 12 different venues. Eight (8) of the events were in collaboration with County HHW drive-through events, and four (4) of the events were conducted at festivals or fairs.

For more information regarding take-back events conducted by MED-Project in 2017, please see Tables 1 and 4.

2.4. The Collection System

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.3.

The MED-Project safe drug disposal collection system places emphasis on kiosk drop-off sites at LEAs and pharmacies to best serve County residents. In 2017, additional kiosks were installed and became available to the public at 22 locations throughout the County, providing a total of 32 kiosk-drop off sites available to County residents. Please see Figure 1 and Table 2 for more information regarding active kiosk drop-off site locations in Alameda County in 2017.

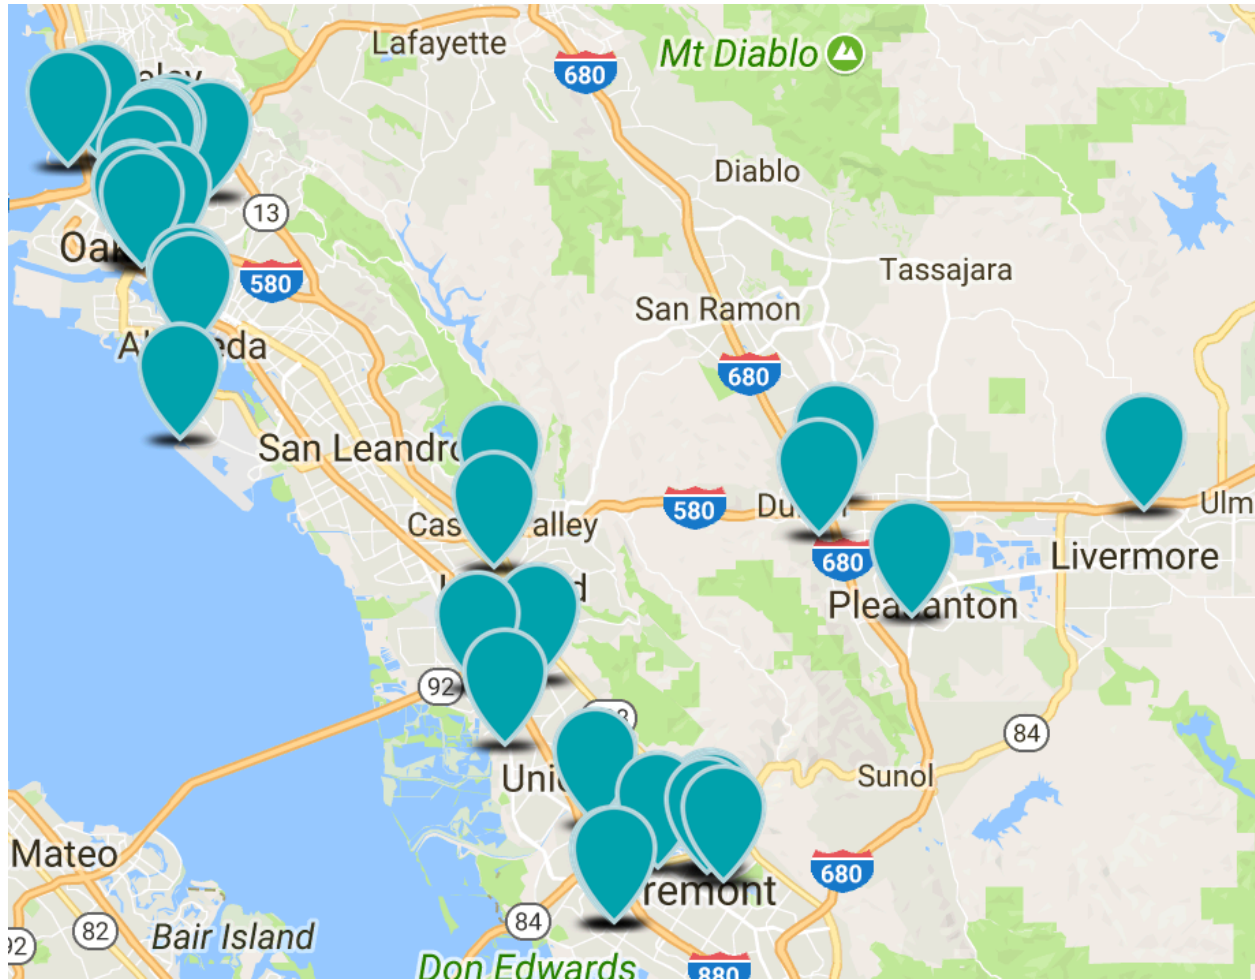

Figure 1: Map of Active Kiosk Drop-Off Sites in Alameda County as of 2017¹

Updated signage describes products that are accepted and not accepted in kiosks, with additional information directing residents toward disposal options for items that are not accepted in kiosks. For more information on approved kiosk signage, please see Figures 2, 3, 4, 5, and 6.

¹ <http://med-project.org/locations/alameda/kiosks>

Figure 2: Mock-Up of Kiosk With Approved Signage²

² Kiosk signage now includes signage in compliance with California State Board of Pharmacy Regulations.

SAFELY DISPOSE OF UNWANTED & EXPIRED MEDICINES

- 1 Cross out or remove personal identifying information from the medicine bottle.

OR

- 2 Leave the product in its original container or place solid medicines in a sealed plastic bag.

- 3 Put medicine in the kiosk.

ACCEPTED: MEDICATIONS IN ANY DOSAGE FORM, EXCEPT FOR THOSE LISTED BELOW, IN THEIR ORIGINAL CONTAINER OR SEALED BAG.

NOT ACCEPTED: HERBAL REMEDIES, VITAMINS, SUPPLEMENTS, COSMETICS, OTHER PERSONAL CARE PRODUCTS, COMPRESSED CYLINDERS, AEROSOLS, INHALERS, MEDICAL DEVICES, PET PESTICIDE PRODUCTS, SHARPS, ILLICIT DRUGS, IODINE-CONTAINING MEDICATIONS.

ONLY SCHEDULE II-V CONTROLLED AND NON-CONTROLLED SUBSTANCES THAT ARE LAWFULLY POSSESSED BY THE ULTIMATE USER ARE ACCEPTABLE TO BE PLACED IN THE KIOSK. SCHEDULE I CONTROLLED SUBSTANCES, ILLICIT OR DANGEROUS SUBSTANCES, AND ANY CONTROLLED SUBSTANCES NOT LAWFULLY POSSESSED BY THE ULTIMATE USER MAY NOT BE PLACED IN THE KIOSK.

PROP 65 WARNING: *Entering this area, or coming into contact with items or materials in this kiosk, may expose you to chemicals known to the State of California to cause cancer, birth defects, reproductive toxicity and/or other reproductive harm.*

For more information about the MED-Project program, please go to www.med-project.org or call 1-844-MED-Proj.

MED-Project
Medication Education & Disposal

Figure 3: Signage on Front Door of Kiosk

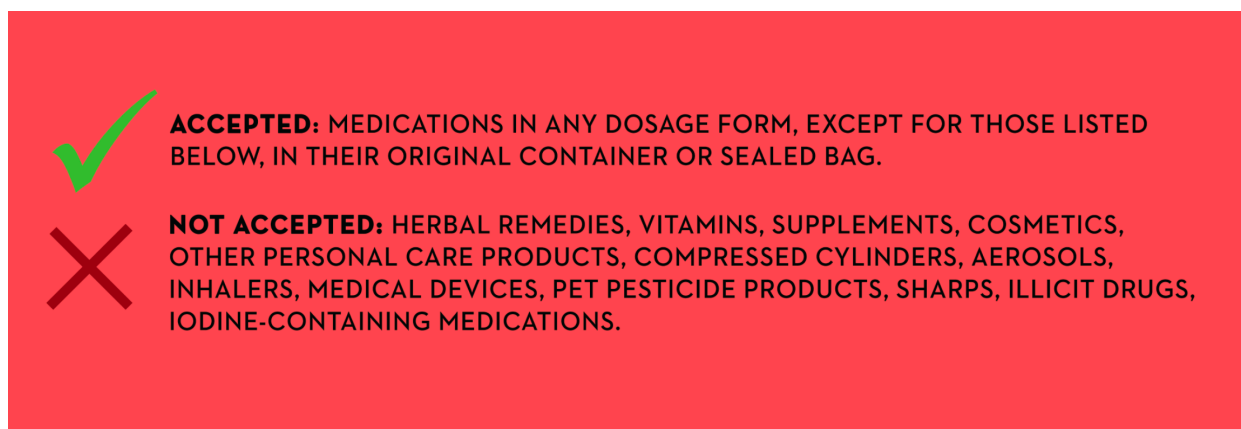

Figure 4: Signage Describing Accepted Products on Drawer of Kiosk

Figure 5: Signage Directing Residents to Other Disposal Options for Items that are Not Accepted in Kiosks³

Kiosk collection agreements continue to be distributed to interested sites and are under review by several agencies and organizations. The location of each site and the status of the agreements are outlined in Tables 5 and 6 below.

Agreements with LEAs that are “pending review” include sites that have not reviewed the documents to date or may not be able to host kiosks. Agreements that are under “review” include sites that have acknowledged receipt and are in the process of reviewing the document. Agreements that are under “final review” include sites that have reviewed the documents and provided information to finalize the agreement.

³ Hazardous Waste Facilities do not accept illicit drugs.

Table 6: Agreements Under Final Review by Pharmacies and Hospitals/Clinics with On-Site Pharmacies in Alameda County

3. 2018 GOALS

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports C.iii.

3.1. Take-Back Events

MED-Project is working closely with Alameda County DEH to conduct take-back events in collaboration with HHW drive-through events throughout the County in 2018. In addition, MED-Project is exploring several options for hosting take-back events in collaboration with LEAs upon request. Take-back event services agreements will continue to be issued to LEAs that are interested in overseeing take-back events.

3.2. Kiosk Drop-Off Sites

MED-Project continues to work closely with LEAs, pharmacies, and hospitals/clinics with on-site pharmacies that are interested in becoming kiosk drop-off sites. Agreements have been distributed to LEAs and 32 pharmacies or hospitals/clinics with on-site pharmacies for review. See Tables 5 and 6 for more information. MED-Project continues to schedule kiosk installation and activation at eligible sites with executed agreements, with the goal of establishing up to 100 kiosks in Alameda County. Pharmacies that are targeted for continued outreach as potential kiosk drop-off sites are listed in Appendix A.

An additional kiosk installation was performed in early 2018 for a kiosk drop-off site host that executed an agreement with MED-Project. Please see Table 7 for more information.

SITE NAME	ADDRESS	CITY	STATE	ZIP
BART POLICE DEPARTMENT	101 8TH STREET	Oakland	CA	94607

Table 7: Site With Executed Kiosk Agreement and Activation in early 2018

3.3. Education and Public Outreach

MED-Project supports kiosk drop-off sites with printed materials, including brochures and posters, as well as posted information on the website.

Outreach materials, including brochures and fact sheets, will continue to be provided to sites interested in participating in the Program, as well as selected organizations, in order to further educate the community and pursue kiosk placement at eligible locations. Examples of organizations in Alameda County are below.

Health Systems:

Kaiser Permanente
Sutter Health
Alta Bates Summit Health Care
Valley Care Health System
Children's Hospital and Research Center
Alameda Health System
Eden Township Healthcare District
Fremont Hospital
St. Rose Hospital
Washington Hospital Healthcare System

Health Associations:

California State Board of Pharmacy
The Medical Board of California
California Board of Registered Nursing
California Board of Vocational Nursing
California Department of Health Care Services
California Health and Human Services Agency
Alameda County Pharmacy Association

Organizations, Districts, and Agencies:

Alameda County Social Services Agency
Alameda County Public Health Department
Municipal Utilities Districts
Water Quality and Water Agencies
School Districts
CalRecycle
Sunol Citizen's and Advisory Council

Social media websites for the MED-Project, including Facebook and Twitter, will continue to post news and events for Alameda County residents. Events and kiosk information will also be posted to the MED-Project website as they are confirmed and available to the public.

MED-Project will continue to monitor the website and call center to assure quality and customer satisfaction, and to assess the impact of outreach and education efforts. As part of the 2018 communication and outreach goals, MED-Project will consider adding Chinese, Vietnamese, and Tagalog translations to the website and print educational materials.

4. COLLECTION PRACTICES

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.5.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports C.iv.

MED-Project provided County residents a combination of take-back events and kiosk drop-off sites for the collection of Unwanted Medicine in 2017. Policies and procedures for collecting, transporting, and disposing of Unwanted Medicine, as described in the approved Plan, were followed during the reporting period, with exceptions as described below.

Take-back events were conducted from April through November with events hosted at 12 separate venues. Over 3,150 pounds in total were collected during 2017, with an average of approximately 263 pounds collected per event. Oversight was performed by ACSO at all events in 2017.

In August 2017, MED-Project submitted a request for exception to utilize common carrier for the transportation and disposal of Unwanted Medicine due to an unexpected disposal facility closure, which was granted by Alameda County DEH on September 1, 2017. Take-back events in September 2017 utilized common carrier transport and were disposed of at Heritage Thermal Services in Ohio.

Kiosk services agreements were executed with a total of four (4) LEAs and ten (10) pharmacies and healthcare organizations, representing a total of 22 kiosk drop-off sites. Kiosk drop-off sites were implemented at LEAs and pharmacies in 2017 with a total of 22 kiosk installations and activations at four (4) LEAs and 18 pharmacies and/or hospitals/clinics with an onsite pharmacy. Kiosks were available to the public within one week of installation.

Based upon the potential for loose Unwanted Medicine to accumulate in the drop-slot, MED-Project worked with the kiosk vendor to design a retrofit for the drop-slot chute. MED-Project completed the retrofit for all kiosks placed under the Plan in Alameda County on March 1st, 2018. All new kiosk installations will be equipped with this retrofit.

Additionally, in June 2017, MED-Project learned that certain Program inner liners were not marked appropriately. MED-Project subsequently corrected this issue with the appropriate vendor.

MED-Project continues to capture data from take-back events and kiosk drop-off sites to evaluate performance on a routine basis.

5. EDUCATIONAL EFFORTS AND PUBLIC OUTREACH

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.7.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports C.v.

MED-Project uses a combination of printed materials, online media outlets, public service announcements, and other methods, such as the call center, to increase awareness of the Program, and to educate County residents about safe and available methods for disposal of Unwanted Medicine. In 2017, brochures (Figure 6) and posters were distributed to all active kiosk drop-off sites (Table 2), to ensure materials and information are available for residents.

A primary objective of outreach efforts in 2017 was to raise awareness of the Program. Materials will continue to be sent to active kiosk drop-off sites, community organizations, agencies, associations, and health systems to increase awareness and recruit additional sites for potential kiosk placement.

In early 2017, MED-Project began a vendor selection process to produce a 30-second animation that will be utilized as a Public Service Announcement for residents regarding safe and available methods of disposal of Unwanted Medicine. The vendor selection process was completed in July of 2017 and MED-Project worked with the vendor over the next seven months to finalize the animation video. Upon completion, MED-Project anticipates placement of the animation video on social media websites, followed by placement on other media platforms, such as television. See Appendix C for more information regarding the timing for placement of the animation video as well as production and placement of a 30-second audio script on radio stations in 2018.

Figure 6: MED-Project Double-Sided Brochure

MED-Project hosts a robust website for the Program, which was made available in 2015, and is updated periodically. The landing page for the website is located at <http://www.med-project.org/locations/alameda>.

Medicines help treat diseases, manage chronic conditions, and improve health and well-being for millions of Americans. It's vitally important that patients take their medicines as prescribed by their health care provider. However, if you have expired or unwanted medication, proper disposal is important and easy.

Brochures, frequently asked questions (FAQs), and public service announcements in video and audio form can be viewed and downloaded from the website

MEDinfo

Medicines help treat diseases, manage chronic conditions and improve health and well-being for millions of Americans. It's vitally important that patients take their medicines as prescribed by their health care provider and as indicated on the label or packaging. It's also important to be sure to store medications securely to prevent accidental ingestion or misuse by others in your household, especially children.

There are a number of ways to dispose of expired or unwanted medicines. To protect your privacy, consumers are reminded to remove all personally identifiable information on prescription labels or materials before using any of the available disposal options.

For additional information on the program, Alameda MED-Project has developed an educational toolkit, including:

Figure 8: MED-Project MEDinfo Page for Alameda County

A call center that provides information about drug disposal options in English and Spanish is available to Alameda County residents at (844) MED-PROJ. Contact information is provided for current kiosk drop-off sites as well as sites interested in hosting a kiosk. Contact information for residents, pharmacies, LEAs, and producers can be found at <http://www.med-project.org/locations/alameda/contact>.

CONTACT

If you are experiencing a medical emergency, please hang up and dial 9-1-1. If you are experiencing a non-emergency but suspect that you or a family member has ingested something poisonous, please call California Poison Control at 800-222-1222. If you have questions about your medication, please hang up and dial your health care provider.

For answers to some frequently asked questions about MED-Project, [click here](#). For more information about the Alameda MED-Project program, or to speak to a program representative, please call 1-844-MED-PROJ or (1-844-633-7765).

Residents

If you are a resident of Alameda County and have questions about MED-Project, please contact:

1-(844)-MED-PROJ or 1-(844) 633-7765

Pharmacies and Law Enforcement Offices

If you are a current kiosk drop-box host site, or a retail pharmacy, hospital/clinic pharmacy or law enforcement agency interested in hosting a drop-box, contact:

Dr. Victoria Travis, PharmD, MS, MBA
National Program Director
MED-Project LLC
Phone: (844) 677-6532
Fax: (510) 686-8837
Email: alameda@med-project.org

Drug Producers

If you are drug producer interested in participating in the MED-Project stewardship plan contact:

Phone: (202) 495-3131
Email: compliance@med-project.org

This material has been provided for the purpose of compliance with legislation and does not necessarily reflect the view of the MED-Project or the Producers participating in the MED-Project Product Stewardship Plan.

Figure 9: MED-Project Contact Page for Alameda County

MED-Project utilizes qualitative feedback as well as statistics from the website and call center to monitor and evaluate outreach and Program activities.

For more information regarding outreach activities and goals, please see Appendix C.

6. SAFETY AND SECURITY REPORT

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.6.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports C.vi.

No safety or security incidents were identified during the collection, transport, or disposal of Unwanted Medicine in 2017.

7. PARTICIPATING PRODUCERS

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.1.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports D.i.

Information on producers that participate in MED-Project is provided to the Alameda County DEH according to the requirements specified in the Ordinance, and is located in Appendix B.

8. COLLECTION POINTS

8.1. Collection Point Information

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.2.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports D.ii

For information on kiosk drop-off sites and collected Unwanted Medicine by weight in 2017, please see Section 2.3 and Appendix D. Unwanted Medicine was picked up for transportation once per unique take-back event location and date in Table 4. Collection services at kiosk drop-off sites began after kiosk installation and activation, in January 2017, and the frequency of collection services is specified based on the needs at each kiosk drop-off site. The number of times each kiosk drop-off site was serviced for collection and the total pounds collected and disposed of from each kiosk drop-off site is included in Appendix D.

9. MAIL-BACK PROGRAMS

9.1. Mail-Back Services

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.2.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports D.iii

MED-Project has not implemented mail-back services in Alameda County.

10.DISPOSAL FACILITY

10.1.Disposal Facility Information

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.4.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports D.iv.a.

The disposal facilities MED-Project used in 2017 were:

Name: Clean Harbors Aragonite, LLC⁴

Phone: (435) 884-8900

Clean Harbors business address:

Clean Harbors Environmental

3 Miles E 7 Miles N Of Knolls

Wendover, UT 84083

Clean Harbors disposal facility:

Clean Harbors Aragonite

11600 N Aptus Road

Aragonite, UT 84029

Name: Heritage Thermal Services Inc.⁵

Phone: (800) 545-7655

Heritage Thermal Services headquarters address:

Heritage Environmental

7901 W Morris St.

Indianapolis, IN 46231

Heritage Thermal Services disposal facility:

Heritage Thermal Services

1250 Saint George Street

East Liverpool, Ohio, 43920

10.2.Product Disposal Information

Alameda Health & Safety Code, Chapter 6.53.080 – Report. A.4.

Alameda County Safe Drug Disposal Regulations, Section 15 – Annual Reports D.iv.b.

The total weight of collected products incinerated at the Clean Harbors Aragonite, LLC disposal facility in 2017 totaled 2,712 pounds.

⁴ Approved by Alameda County DEH on October 6, 2015 as a disposal facility.

⁵ Approved by Alameda County DEH on October 26, 2016 as an additional disposal facility.

The total weight of collected products in 2017 and incinerated at Heritage Thermal Services, Inc. disposal facility totaled 13,038 pounds.

See Appendix D for more information regarding kiosk servicing and pounds collected in 2017.

APPENDIX D

The number of times each kiosk host site was serviced for pick up and the total pounds collected and disposed of from take-back events and kiosk drop-off sites in Alameda County during 2017 is provided below. Because the disposal of Unwanted Medicine occurs several days after pick-up at a kiosk drop-off site, disposal of some Unwanted Medicine collected in late 2017 did not occur until early 2018 and is not reflected in the disposal figure below. All Unwanted Medicine collected at kiosk drop-off sites in 2017 was incinerated at Heritage Thermal Services – Ohio.

All Unwanted Medicine collected at Take-Back Events was incinerated at Clean Harbors – Aragonite, except for Unwanted Medicine collected at events conducted in September 2017, which was incinerated at Heritage Thermal Services – Ohio.
