

INVITATION TO COMMENT – POTENTIAL CASE CLOSURE

**EXXON
3055 35th AVENUE, OAKLAND, CALIFORNIA
FUEL LEAK CASE RO0000271
GEOTRACKER GLOBAL ID T0600100538**

December 16, 2019

The above referenced site is a fuel leak case that is under the regulatory oversight of the Alameda County Department of Environmental Health (ACDEH) Local Oversight Program for the investigation and cleanup of a release of petroleum hydrocarbons from an underground storage tank system. Site investigation and cleanup activities have been completed and the site has been evaluated in accordance with the State Water Resources Control Board Low-Threat Closure Policy. The site appears to meet all of the criteria in the Low-Threat Closure Policy. Therefore, ACDEH is considering closure of the fuel leak case.

The public is invited to review and comment on the potential closure of the fuel leak case. This notice is being sent to the current occupants and landowners of the site and adjacent properties and other known interested parties. The entire case file can be viewed over the Internet on the State of California Water Resources Control Board GeoTracker website (<http://geotracker.waterboards.ca.gov>). Please send written comments to Keith Nowell at the address below; all comments will be forwarded to the responsible parties. Comments received by **February 14, 2020** will be considered and responded to prior to a final determination on the proposed case closure.

The occupants and owner's information for this notification was garnered from records available through the Alameda County Assessor's Office website at the time of its preparation. The distribution list prepared for this notification may not include records being processed or the most recent tenant/occupant information. Therefore, property owners are obligated to notify their tenant/occupants of this potential case closure consideration.

If you have comments or questions regarding this site, please contact the ACDEH caseworker, Keith Nowell at 510-567-6764 or by email at keith.nowell@acgov.org. Please refer to ACDEH case RO0000271 in any correspondence.
