

Alameda County
Department of
Environmental Health

1131 Harbor Bay Parkway, Alameda, CA 94502 - (510) 567-6700

**FREE
INFO**

**FREE
HELP**

Want to sell food from your home? Need more info about a permit?

Join us for a FREE informational meeting with the Department of Environmental Health.

We will discuss the permit options and review regulations for the permits available in Alameda County. We will discuss the differences between a CFO permit and a MEHKO permit.

We will answer your frequently asked questions and assist in finding the best permit for your proposal.

If you have any questions call the front desk at (510) 567-6700 or use the QR code to look at our website

No reservations are required !
