HOST of PUBLIC MEETING:	Alameda County LEA Co-Host: CWS (the applicant/operator)

The Alameda County Department of Environmental Health, Solid/Medical Waste Management, the Local Enforcement Agency (LEA) for the Department of Resources Recycling and Recovery (CalRecycle), has received an application for a new proposed Solid Waste Facility Permit (SWFP) for **California Waste Solutions (CWS) North Gateway Recycling Facility** on April 20, 2022. The application was deemed complete and correct and acceptable for filing on May 19, 2022. This informational meeting is for all interested parties to ask questions and provide comments on the new proposed SWFP. Comments may be submitted prior to the meeting, directly to Ms. Wing Suen by postal mail, email, or fax. The meeting is strictly informational, and no official decision will be made at the meeting regarding the formal determination on the SWFP application.

Project Description:

California Waste Solutions (CWS) North Gateway Recycling Facility will be a new material recycling facility. The application package submitted by CWS to apply for a new SWFP proposes the following:

- The new facility will receive, process, and transfer up to 850 tons per day of multiple material streams, including source-separated and mixed residential and commercial recyclable material;
- The new facility allows for a maximum traffic volume of up to 308 trips per day;
- The new facility encompasses 14.38 acres within the City of Oakland GATEWAY INDUSTRIAL DISTRICT ZONE (D-GI);
- The new facility will be comprised of an Administrative Office, a Material Recovery Facility (MRF) Area, Material Receiving and Process Area, Bale Storage, and Truck Maintenance;
- The new facility is not permitted to receive and does not intend to receive loads of mixed municipal solid waste, bulky waste (furniture, mattresses, etc.), construction and demolition material, pressure treated lumber, waste tires, scrap metal, white good/appliances, biosolids, green waste, food waste or wood waste for any purpose including processing or transfer to disposal;
- The new facility will not be open to the general public.

CWS will be combining and relocating to the **North Gateway Recycling Facility** its existing recycling facilities operating under the Registration Permits issued on **February 2, 2018 for 3300 Wood Street, Oakland** and on **September 25, 2018 for 1820 10th Street, Oakland**.

Purpose of the Meeting:

This Public Informational Meeting is for any interested parties to learn more about the new proposed SWFP and to provide comments on the LEA's proposed action for a new SWFP. The decision to issue or not to issue the new proposed SWFP must be made by the LEA within 120 days of the date the application was deemed complete as required by Statute. Prior to the issuance of the SWFP, the LEA must request and receive concurrence from CalRecycle. If you wish to be notified of the CalRecycle meeting at which it will consider whether to concur in the LEA's proposed SWFP, please notify the LEA in writing no later than June 20, 2022.

This co-hosted meeting is a combined public meeting with the LEA and the applicant, CWS, pursuant to 27 C.C.R. § 21660.2(a) and 27 C.C.R. § 21570(g).

For Additional Information:

Additional information about the application is available for public review during regular business hours (8:30 am to 5:00 pm) at the Alameda County Department of Environmental Health located at 1131 Harbor Bay Parkway, Alameda, CA. 94502. To review a copy of the application and supporting documents, please contact the LEA: Wing Suen (wing.suen@acgov.org) and Ryan Hammon (ryan.hammon@acgov.org).

Written Comments and Availability of Appeals:

Written comments may be submitted to the LEA as provided above. Any appeal will be processed in accordance with and pursuant to Public Resource Code Section 44307 and 44310. For additional information, you may contact the LEA or review regulations on-line at
